

BRIGHT IDEAS FOR TENNIS U13 TENNIS FESTIVAL

With the support of ISTA, Bright Ideas for Tennis have created a number of bespoke tennis events for 2021 encouraging participation from schools, teachers, pupils and parents. As well as fundraising, our main objective is to give the participants a fantastic experience. So if you love tennis, would enjoy sharing a court with one of GB's tennis stars, and are keen to give something back to the sport that has given you and your family a lifetime of enjoyment, please show your support.

Our events allow your pupils to share the responsibility of participation, encourage team work, take ownership of their individual fundraising and will help provide a greater understanding regarding those less fortunate.

If you would like to participate, please contact Danny Sapsford

HELPING MORE PEOPLE... PLAY MORE TENNIS

Our primary goal is to support tennis clubs in the UK by increasing membership numbers, raising participation levels, and improving playing facilities.

We believe that tennis, with its potential to adapt, is capable of becoming a fully inclusive sport, thus creating opportunities and enjoyment for everyone.

All funds raised from this event will help to expand our '1 Play 30' disability tennis programme and, where possible, will be delivered within the catchment areas of participating schools.
